Tiggers to form new poll party

NEWLY-formed The Independent Group is in talks with the Electoral Commission about becoming a fully-fledged political party, says spokesman Chuka Umunna.

He said the group had to become a party in order to present an alternative to the "broken political system".

Eight MPs quit Labour and joined with three former Tories to form the group, which is joint fourth-largest in Parliament, with the Lib Dems.

By registering as a party, the group can contest seats in future elections.

Speaking outside the Commission's HQ in London, former Labour MP Mr Umunna (above) said: "We have been overwhelmed by the tens of thousands of people who have shown support for what we are doing and want to see an alternative."

Stem cell man in HIV all-clear

A UK patient's HIV has become "undetectable" following a stem cell transplant – in only the second case of its kind, doctors report.

The male London patient, who has not been named, was diagnosed with HIV in 2003 and advanced Hodgkin's lymphoma in 2012.

He had chemotherapy to treat the cancer and, in addition, stem cells were implanted into him from a donor resistant to HIV, leading to both his cancer and HIV going into remission, says a team of university doctors.

TERROR: Students fled as knifemen attacked

MACHETE-wielding thugs stormed a sixth form college for a "pre-arranged fight"

Six people were arrested after police were tipped off that a group from Manchester was heading to the Runshaw College in Leyland, Lancs, "with weapons".

Footage on social media appears to show students fleeing masked men.

The gang of around 12 young men – some brandishing knives and wearing balaclavas – arrived at the college at about 4pm to confront a rival group.

Nicked

Three men in a parked car were arrested nearby, as was a fourth who made off on foot.

Two more were held on Monday evening, with one picked up in a car on the M55 and one arrested in Preston.

A 17-year-old student was "nicked on the arm" during an altercation in the college grounds. He was treated in Chorley Hospital but his wound was not serious.

Regular patrols were visible in the vicinity of the college yesterday as police worked to reassure students while continuing their investigation.

out after reports of a machete-style knife being used in the attack.

Lancashire Police Dog Unit said on Facebook: "It didn't take the team long to recover the weapon and other pieces of valuable evidence."

Ch Insp Gary Crowe, of Lancashire Police, said: "This was not a random attack. This is a very specific incident and a personal issue between a couple of people involved."

The trouble is the latest in a string of blade-based incidents that threaten to turn Britain into a Wild West bloodbath.

PM slammed over 'burying head in sand'

THERESA May has been accused of "burying her head in the sand" over Islamophobia in the Conservative Party.

Former party chair Baroness Warsi said the PM had failed to "acknowledge" or "tackle" the problem and this was "symptomatic" of her wider leadership.

She spoke out after a council candidate who made what she called "vile" comments was reinstated by his local party in Harlow, Essex.

Peter Lamb has now quit the Tory Party, following the outcry.

A spokesperson for Conservative head office said the party always acted "decisively" when cases came to light.

But Baroness Warsi, who was the UK's first female Muslim cabinet minister, has said her party had "turned a blind eye" to prejudice and was "institutionally Islamophobic".

In a personal attack on the prime minister, she said of Mrs May: "Burying your head in the sand is not going to make problems go away."

Rush scores again!

FOOTIE legend Ian Rush is engaged to model Carol Anthony after more than five years of dating.

The former Liverpool striker, 57, has been seeing the 35-year-old since 2013 – a year after he split up with ex-wife Tracy after 25 years together.

Former pop star Carol said: "We've been speaking about it for a long time. We don't feel any different as we always knew we would be together for the long haul."

"When we travel together, Ian always introduces me as his wife."

ZUCKERBERG FORTUNE DROPS £6.6bn

Facebook founder's wealth slips

FACEBOOK boss Mark Zuckerberg's wealth has shrunk by £6.6billion in the past year, according to the latest billionaires' list compiled by Forbes.

His shares in Facebook at one point lost a third of their value as the company battled privacy scandals.

The total combined net

worth of this year's billionaires' list also fell.

However, Amazon founder Jeff Bezos keeps his top position as his net worth shoots up to £100bn, up £14bn from last year.

Amazon's share price has been good for Bezos' bank balance and the gap between him and the No.2,

Bill Gates, is a little wider, even though Mr Gates's fortune has swelled to £73bn from £68bn last year.

Forbes said there are fewer billionaires around – 2,153 of them on the 2019 list, which is down from 2,208 last year.

And 994 of them are less well off than 2018.

Gemma calls in Russian security over stalker fears

By COLIN HURST news@sundaysport.co.uk

CUDDLY Gemma Collins has called in ex-Soviet spooks for protection after being harassed by a stalker.

The former *TOWIE* star is said to be "traumatised" by the drama which came after her brief split from boyfriend James "Arg" Argent.

The sturdy reality TV star – who famously ejected herself from *I'm A Celebrity, Get Me Out Of Here!* – reportedly says she is scared to even leave home.

So she has called on the expertise of former USSR and East German security hardmen to help.

Last week Gemma shared footage of a man outside her home, telling fans she felt threatened and unsafe.

Scared

She took videos that showed a man walking by her home and sitting in a car parked right outside her window.

A source said: "Gemma is really upset and anxious and has been scared to even leave her house."

"She has always incredibly friendly and open to all her fans, so to have someone abuse

BRIEF SPLIT: Arg

her in this way, and threaten her so awfully, has left her totally shaken.

"That's why she is hiring the best protection available – ex KGB security experts."

I'M A WRIGHT C**T!

TOWIE star Mark Wright revealed he nearly got sacked from his fancy U.S. presenting job on his first day – for calling a co-star a c**t.

Mark (right), 32, said: "On my second day at *Extra*, Mario Lopez said something about my tight shirt and I went, 'Shut up, you c**t!' – joking."

"He told me, 'Don't say that here. I'm going to let you off because I know you, but that is frowned upon here.'"

Prodigy fans in fury at TV Flint question

FANS of The Prodigy who tuned into Monday evening's edition of *The Chase* were outraged when an ill-timed question about the band popped up just hours after the news that frontman Keith Flint had killed himself.

Host Bradley Walsh was seen asking the contestant – and *Chaser* Anne Hegerty (below) – the question: “Which chart act has the fewest members?” The multiple choice options were The Proclaimers, The Pretenders or The Prodigy.

It struck a nerve with some viewers given the The Prodigy

had lost a member just hours earlier.

They slammed ITV for not assessing the episode and replacing it with a different one, in light of the news.

One viewer posted: “Did the Chase really just show a question about fewest band members with The Prodigy as an answer on the day Keith Flint died? Bad taste.”

Another tweeted: “Oh dear that question on the Prodigy is savage!”

Firestarter singer Flint, 49, was found dead at his home in Essex on Monday. His bandmate Liam Howlett said he took his own life.

Petrol drives car sales up

DEMAND for new cars rose by 1.4 per cent in February after five consecutive months of decline, figures show.

Some 81,969 new cars were registered last month compared with 80,805 during February 2018, the Society of Motor Manufacturers and Traders said.

February is traditionally one of the quietest months for the new car market ahead of the March number plate change.

Sales of petrol models increased by 8.3 per cent year-on-year last month, while diesels fell by 14.3 per cent.

There has been growing concern about the impact of diesel car emissions on air quality and uncertainty about what taxes will be introduced on them.

Demand for hybrids and pure electrics increased 34 per cent for a market share of 5.5 per cent.

The mag's website told readers: “Public nudity might be taboo in the real world but, in fashion, it's always had a place.

Empowering

Between the '90s and now, labels like Thierry Mugler, Versace, Prada and Chanel have all employed the industry's biggest It-girls to walk the runway in near-naked garments, all for the sake of their art.

“One-by-one, supermodels like Naomi Campbell, Amber Valletta, Kate Moss and Shalom Harlow have proven that nudity is empowering and nothing to be afraid of.”

Cops attacked by woman in a naked rage

A NAKED woman attacked two police officers after being told to put her clothes on.

Liza Williams (above), 45, pulled clumps of hair from one policewoman's head and smashed another's head into an oven.

Cardiff Crown Court heard cops were called on October 26 last year when Williams refused to leave her ex-partner's house in Bridgend.

They found Williams "completely naked" outside the bathroom.

PC Michaela Beck said: "I asked her a number of times to clothe herself."

The court heard she passed Williams a towel and took hold of her arm. PC Beck said: "I can remember her shouting, 'Want more, do you? I'm stronger than both of you!'."

Williams slammed PC Beck's head into a mirror – shattering the glass – and pulled out clumps of hair.

She also punched PC Alison Thomas before smashing her head against an oven.

Williams admitted ABH and was jailed for 12 months.

Man grabbed cop's bollocks

A MAN grabbed a cop by his baubles during the Christmas holidays, a court heard.

Ryan Samuel Glass, 44, assaulted the officer on December 27 last year.

He pleaded guilty to a charge of assault on a policeman when he appeared before JPs.

The full facts of the case have yet to be outlined to the court and it is not clear why he grabbed the cop's balls.

Adjourning the case for reports, District Judge Liam McNally said it was a "nasty" assault and one which could lead to prison for Glass, of Coleraine, Co Londonderry.

ROCKED: Pop star Jenny (right) and (below) with band mates

ATOMIC Kitten babe Jenny Frost has been hit by a devastating topless photo leak.

A picture of the 41-year-old being cuddled by a man on a beach has been circulated online claiming to be a private snap hacked from the singer's mobile phone.

It shows her generous breasts but is censored by white stars over her nipples.

The pic, which has been seen by hundreds of thousands of people, is described as being the star's personal image.

Clear

But it's not clear if it definitely is the *Whole Again* singer.

A showbiz source said: "It doesn't matter if this picture is genuine or fake.

"The fact that people

Jenny's ex-bandmate Natasha Hamilton was the victim of similar claims last week.

Other celebs hit by hacking claims include Hollywood star Jennifer Lawrence, gardener Kelly Brook and busty BBC weather girl Carol Kirkwood.

Dick: 'Drug users have blood on their hands'

BRITAIN'S most senior police officer believes that middle-class drug users have "blood on their hands" over the recent spate of violent deaths in London.

Speaking on LBC, Metropolitan Police Commissioner Cressida Dick told host Nick Ferrari the description was "a good way of putting it".

She said: "Anybody who is not seriously mentally ill, seriously addicted, who is seeking 'recreational'

drugs, particularly class A drugs, yes, I think that is a good way to put it, I do."

The drugs trade is one of the key drivers behind street violence, particularly county lines networks that target youngsters to work as drug couriers.

Ms Dick also disagreed with the Theresa May's claim that police cuts were not to blame for a spate of fatal stabbings on teenagers.

Builder jailed for bungalows bill rampage

A BUILDER who shouted "whoop-whoop" as he filmed himself destroying five newly-built retirement bungalows with a digger has been jailed for four years.

Daniel Neagu (above), 31, had music blaring from the radio as he wrecked houses worth up to £475,000 each in Buntingford, Herts, on August 11 last year in a row over unpaid wages.

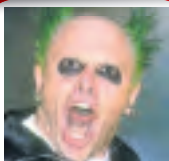

Footage of the rampage, which he filmed, shows him repeatedly ram the bungalows.

He shouts "F**king shit company" and rants in Romanian during the demolition.

In one clip he tells a passer-by he is owed £16,000.

Sentencing Neagu at St Albans Crown Court on Tuesday, Judge Stephen Warner said it was a "wholesale destruction" and a "pure act of revenge".

Revenge porn pics girl avoids jail term

A WRONGED girlfriend who found naked photos of another woman on her boyfriend's phone took revenge and sent them to the woman's mother and other family members before posting them on Facebook.

The pictures ended up appearing on a porno site after they were shared, although Roxanna Mirea denied uploading them.

Mirea, 26, of Boston, Lincs, admitted disclosing private sexual photographs with intent to cause distress between June 25 and August 20 last year, when she appeared at the town's Magistrates' Court.

Mirea and her boyfriend had been in a four-year relationship – and planned to marry in 2020 – before she found the pictures on his phone in June.

The victim, who can't be named for legal reasons, even received a message from a complete stranger offering money for sex.

Barister Amar Alyas said that it was a "very unfortunate incident" and that Mirea was "very remorseful".

Magistrates said that while the offence crossed the custody threshold, they felt a community order provided the necessary punishment and rehabilitation.

They ordered Mirea to carry out 120 hours of unpaid work and undergo 15 days of rehabilitation.

Pub pervert held over his 'side of story'

A PUB perv has been held in custody after forcing a woman to watch porn.

Mitica Busaku, 49, then asked her to engage in a sex act with her in Anchor Bar in Arbroath.

The Romanian was due to be sentenced at Forfar Sheriff Court, but that was postponed by Sheriff Gregor Murray who was concerned the Romanian did not know exactly what he was admitting.

Sheriff Murray said the accused's explanation of the offence was "completely at odds" with his guilty plea.

He added: "I don't think he has any comprehension of the difficulty he is in, or alternatively, and for want of a better phrase, he is at it."

RUM, SODOMY... & A POOL BALL!

Horror at Navy lads' antics in Cornwall pub

FOUL PLAY: Social media response

Maisie Thorne Why are there people putting pool balls into arseholes in first place? Why wasn't this stopped?

Terrie Bonnet So which bit isn't true, that there is footage of some navy lads doing rude things or that they may be kicked out of the navy?

Tricia Genderson Having seen the presswork it seems odd to then read the claim is almost 100% not true unless doing this with pool balls is normal!

A GROUP of Royal Navy sailors face the cat o'nine tails and a keel-hauling after a rating got a pool ball shoved up his poop deck in a family pub.

Tars from RNAS Culdrose were enjoying a tot of rum or two at the Red Lion pub in Helston, Cornwall, when high jinks became X-rated.

One mariner bent over while a pal popped the black eight ball in into his arsehole – a practice popular among rugby players.

Now 10 personnel are being investigated by cops and by Navy police following the incident in the pub's pool room.

Indecent

A Royal Military Police incident report states: "CCTV footage taken within the Red Lion pub in Helston shows a Petty Officer appearing to engage in an indecent act while in the bar lounge and in full view of the public and other Service Personnel, some of whom were filming the incident on their mobile phones."

"The incident is known to have been uploaded on to social media and discussed on Facebook. Awaiting a civilian police decision on prosecution."

TV in the background and the men's colleagues are laughing as one attempts to insert an eight ball from the room's pool table into the backside of another.

The man makes several attempts while the second man is bent over with his trousers around his ankles.

Their friends watch and laugh throughout.

The man who is bent over repeatedly shouts instructions to his mate as his backside rubs against the pub's sofa from which the other man is leaning over him.

Management at the pub posted on Facebook, attempting to play down the incident but others questioned why pool-ball-anus-insertion was still taking place in Cornwall in 2019.

A spokesman for Devon and Cornwall Police said: "We have been informed by the Navy of allegations related to an incident of public indecency. We will be liaising with them in an investigation."

A spokesman for the Royal Navy said: "An investigation is ongoing and therefore it would be inappropriate to comment further."

Barr: #MeToo attack victims – they're hoes

COMEDY legend Roseanne Barr has launched an attack on the #MeToo movement.

Barr, 66 (above), who was fired from ABC's *Roseanne* for a racist tweet in May last year, sat down with far-right commentator Candace Owens for an interview published on Sunday.

"They were there in the room because they thought they were going to get a job 15 years ago. Cuz they're hoes," Barr told Owens as they discussed their views on the #MeToo movement.

Barr said some of the women who were in men's hotel rooms at 3am are "pretending that they didn't go to trade sexual favours for money".

#MeToo was founded in 2006 by activist Tarana Burke, who started using the term to raise awareness of sexual abuse and assault.

It became a broader movement in 2017 when allegations ranging from rape to sexual harassment came out against film boss Harvey Weinstein.

ALMOST half of university students use alcohol and recreational drugs to cope with problems in their life, a survey suggests.

The poll of 37,654 people highlights the "alarming" levels of substance misuse and looked at psychological distress and illness, researchers say.

Of those questioned, 9.4% think about self-harming often or all the time, and 50.3% reported some thoughts of self-harm.

Some 42.8% said they are worried all the time.

The survey found that 44.7% use alcohol or recreational drugs to cope with life problems, with 9.5% doing this often or all the time.

The survey was designed by psychologists and psychiatrists at The Insight Network.

"At the moment I'm prepared to flash my t**s, flag down the taxi and be spontaneous. Let's wait and see what happens."

Lisa said her porn talks have been continuing across the pond as there are producers in LA who are also interested in her.

And she's not the only one. Take a look at the other girls who've been tempted to cross from the front pages to the centrefolds!

DANA PLATO (DIFF'RENT STROKES)

CHILD star Dana started appearing in TV adverts from an early age, but there was one role that really defined her.

She starred as Kimberly Drummond in the legendary U.S. sitcom *Diff'rent Strokes* and stayed there for six years.

After leaving the show, she invested in a boob job and appeared in several soft-core adult flicks like *Girlfriend*, during which she declared she was a lesbian – only to change her mind later.

Sadly, she died in 1999 aged just 34.

HOLLY SAMPSON (THE WONDER YEARS)

DID *The Wonder Years* starlet Holly Sampson ever have sex with golfing icon Tiger Woods?

Holly, 45, once claimed she did when the bonking bunker pro's infidelities first hit the headlines.

She later recanted, saying she'd at least never had sex with Woods while he was still married.

Holly also had a three-year career in the early 2000s in the soft-porn industry, in films like *Voyeur*, *The Thrill* and *The Best Sex Ever*.

**MAITLAND WARD
(HOME IMPROVEMENT)**

HOW do you improve on *Home Improvement*?

Simple - you become even more famous for taking your clothes off! Maitland, 42, hit the big time on the popular sitcom playing Christy in a 1998 episode of the much-loved

U.S. show. But after leaving that she became a hit on the cos-play circuit, frequently making live nude appearances covered only in bodypaint. And she had several see-it-going-in and lesbo film roles, too.

**CHYNA
(WWE WRESTLING)**

SHE was born Joan Marie Laurer, but everyone knew her as Chyna - an all-American wrestler, glamour model, porn actress and bodybuilder.

Chyna first rose to prominence in the World Wrestling Federation in 1997, where she was billed as the "Ninth Wonder of the World".

Outside of wrestling, Chyna appeared in *Playboy* magazine twice,

showing off her tits and bits, as well as starring in numerous television shows and films.

Chyna was also known for her tumultuous relationship with fellow wrestler Sean Waltman, with whom she made a sex tape, released in 2004 as *1 Night in China*.

She died in 2016 from an accidental drugs overdose.

**FARRAH ABRAHAM
(TEEN MOM)**

FARRAH was just a teenager herself when she appeared in the controversial MTV series *16 And Pregnant*, and later in the follow-up *Teen Mom*.

But the 27-year-old's real claim to fame was starring in her second sex tape *Farrah 2: Backdoor and More*.

The flick came with the slogan

"it's no 'fake' 'leak' - it's the real, raw, ridiculous deal" and it reportedly earned her £1million after selling her no-holds-barred sex tape with James Deen.

WHAT A BUMMER, MEGHAN!

Duchess found her ex had secret gay romp with agent

MEGHAN Markle found out an ex-boyfriend had sex with her AND her male agent!

The Duchess of Sussex lifted the lid on her former lover's romps in a now-deleted web page she wrote about being a struggling actress in Los Angeles back in 2012.

The *Suits* star was unmasked as the woman behind the popular *The Working Actress* blog only last year.

Meghan, 37, chronicled her battle to land parts in the hugely competitive Hollywood TV and movie industry on the site.

In an online post she wrote: "You know the industry is insane when you find out that after you broke up, your struggling actor-ex-boyfriend had sex with your agent."

"And your agent is a dude. Awe-

some. And yes, that did happen."

She later confessed to having a crush on a celebrity - and it wasn't Prince Harry.

Instead she admitted that she had a thing for legendary actor Donald Sutherland, 83.

She was asked in a question and answer interview as *The Working Actress* by a showbiz website: "Who do you look up to as an actor? Have you ever had a moment on set where you've had to resist the urge to squeal?"

Meghan replied: "Donald Sutherland. I was so excited to work with him. The woman in the hair department said he was a gem and that I would love him, so when I met him I said, 'Mr. Sutherland, I hear I'm going to fall in love with you before lunch break'."

Diet may leave a fanny smell

A FOOD fad favoured by stars like Kim Kardashian and Halle Berry has an unfortunate side-effect - smelly fanny syndrome!

Eating sizzling steaks or cheese-drenched eggs with a side plate of tender-crisp bacon may sound tasty...but where does that leave their tuppenny slots?

The keto diet, a low-carb plan that emphasises eating fat and protein with a few fruits and starchy vegetables, has become wildly popular.

But even diehard fans of the diet say the worst side effect is what's known as "Keto Breath".

And there may be an even more unfortunate stink, which online keto-lovers have dubbed "Keto Crotch".

#HOT'N'HOR

CURVY Caitlin Wynters knows how to arouse her fella – by performing a sexy STRIPTEASE.

The 24-year-old said she gets a real kick out of dressing up in sexy lingerie before slowly peeling it off for her lover.

And the glamour babe, who boasts a jaw-dropping pair of 32Es, said she loves to see the look on a guy's face when she unleashes her massive norks.

Caitlin, from Wanstead, east London, said: "I really like to strip for my man."

"I do it slowly and seductively and peel each garment off sexily."

"I think it's sexy and seductive to undress and watch his eyes light up when I slip my boobs out of my bra."

"It's like they can't believe what they're seeing!"

"I'll dress up in foxy lingerie, put on a silk kimono and heels and make my fella sit on the end of the bed."

"Then I'll let the kimono slip to the floor and strip off the undies – starting with the stockings."

"Then, when I'm completely naked, I'll grab a bottle of baby oil and pour it all over my body – from my boobs to my legs."

"I usually start playing with myself at this point, while I am rubbing it in... and then I ask him to join in!"

It comes after one of the brunette's most ardent fans wrote on her official Instagram page that he'd happily scoff her poop.

Georgia, 28, who quit the cobbles four years ago, had posted a picture of herself in a black minidress – apparently from the set of a short film.

Fans largely reacted positively, with many complimenting the former *Strictly Come Dancing* star's beautiful looks.

One even posted that she had "nice feet" and begged her to show them more.

Hubby hides his gay porn life from wife

A HORRIFIED woman has recalled the moment she found out her hubby had been starring in gay porn.

The anonymous Yank said she "was watching gay porn while my hubby slept" only to click on a video and discover her partner was the star!

Revealing how she had zero doubt in her mind as to whether the porn star was the man she married, the woman wrote: "His face was fully visible and he has unique tattoos."

"I knew without a shadow of a doubt this took place after we were married because he had the goddamn ring on!"

The 26-year-old bride added: "He said he has a meth problem and that it 'turns him gay'.

Poo-eating is a bizarre, extreme sexual fetish scientifically known as coprophilia – an “abnormal interest and pleasure in faeces and defecation”.

It is more commonly known among twisted fetishists as "scat".

In *Corrie*, Georgia used to play schoolgirl Katy Armstrong, who went on to have a child, Joseph, with ginger-haired boyfriend Chesney Brown.

The actress left the show in 2015 and her character died in an off-screen car crash in Portugal two years later.

HOOTS! A sex robot with a sultry Scottish accent is now being shipped to hundreds of randy customers.

Harmony, which is powered by artificial intelligence, has been under development since it first appeared in the news in 2016.

Built by U.S. tech firm Realbotix, the life-like droid is able to talk, joke and even remember previous encounters with its lusty owner.

And now the £7,000 silicone doll is on its way to buyers eagerly awaiting their new Scots-burr companion.

Guile Lindroth, Realbotix's AI chief, said: "We have started to ship the first pre-order units of our robots to customers."

"Our first lot of robot heads has around 350 units."

The sex doll is a robotic head powered by a smartphone app and can be paired with silicon bodies which can come with heating and touch sensors.

Anyone is able to get the software and begin building the foundations of their relationship with the android.

Dildos deployed in tree house row

A FENCE battle between neighbours ended up with an arrest after SEX TOYS were put on show.

Problems began when neighbours of Janice and Vincent Cuillo obtained permission to build a tree house for their children.

But the installation was too close to the fence that separated them from the Cuillos.

Police say they retaliated by placing speakers outside and blasting loud music with vulgar language only when the children played in the backyard.

Cops responded again when the neighbours said the Cuillos hung sex toys just feet away from the children's tree house.

The Cuillos, from West Palm Beach, Florida, face charges for displaying obscene items, stalking, breaching the peace, and violating the ordinance for excessive noise.

But, to be honest, our celebrations to mark Shrove Tuesday, the last day before Lent, are never the liveliest in the world.

And the ladies get their busters out, too.

Screw nicked over her affair with inmate

COPS have arrested a prison guard who is accused of having sex with an inmate and planning to marry him upon his release.

Authorities nicked 31-year-old Kasey Gamble (above), a correctional officer with the Georgetown Co Detention Center in South Carolina.

She is charged with first-degree sexual misconduct with an inmate and misconduct in office.

Investigators said disturbing information was presented to jail bosses about a possible relationship between Gamble and a lag.

The sheriff's office said the inmate admitted the relationship, saying he wrote letters to her, and the relationship had "been intimate".

The sheriff's office said after a short time, Gamble eventually admitted to her involvement with the inmate and corroborated the evidence.

RICH PICKINGS: Frank Lucas made a fortune from heroin sourced from poppy fields in Southeast Asia

BY the 1960s, gangster Frank Lucas had built an international drug ring that spanned New York to South East Asia.

Born September 9, 1930, in La Grange, North Carolina, Lucas moved to Harlem in 1946 – and entered the world of street crime.

Killings, extortion and bribery were his modus operandi. He had millions in cash and property in several cities when he was finally busted in 1975.

In his prime, Lucas had an estimated net worth of £40million – over £173m in today's money.

He saw how real money was made on the streets, through illegal gambling and drugs.

With each ensuing crime, he became more bold and ruthless.

He first robbed a local bar at gunpoint. Then he stole a tray of diamonds from a jewellery store, breaking a guard's jaw with a slug from his brass knuckles.

Next, he brazenly broke into a high-stakes crap game at a local club and robbed all the players.

Then, in the summer of 1966, on a crowded pavement, Lucas shot a local thug who reneged on a dope deal.

His efforts caught the eye of Ellsworth "Bumpy"

By JUSTIN DUNN
news@sundaysport.co.uk

Johnson, a long-time Harlem gangster who controlled gambling and extortion operations.

Lucas learned well from "Bumpy" but he took his teachings to a whole new level, developing one of the most lucrative crime organisations of the 20th century.

When Johnson died in 1968, leaving the control of Harlem up for grabs, Lucas took the opportunity to seize as much territory as he could.

He soon realised that to take over Johnson's operation he needed to break the monopoly of the Italian Mafia – and go directly to the source of the drugs they were selling.

Addictions

By 1968, the Vietnam War had been raging for several years. It was common knowledge that US service personnel had been exposed to many different illegal drugs, including heroin.

When they came back to the States with their addictions, they sought out new sources.

By the late 1960s and early 1970s, dope was rampant in most large American cities, with "brand names" like "Mean Machine," "Can't Get

TEACHER: 'Bumpy' Johnson

Enough of that Funky Stuff" and "Harlem Hijack".

Lucas knew he could meet this demand and make a hefty profit if he could get the drugs directly from the source. He decided to travel to Southeast Asia.

On his arrival in Bangkok in 1968, Lucas checked into the Dusit Thani Hotel. There he met Leslie "Ike" Atkinson at Jack's American Bar, a hangout for African-American soldiers.

Atkinson ran the bar and was well connected with many US Army soldiers, often supplying them with drugs on demand.

He agreed to supply Lucas with the heroin – but first, Lucas wanted to see the operations for himself.

The two men travelled through the jungles of

THE DRUG LORD MAFIA'S NEW YORK

HOLLYWOOD superstar Denzel Washington gives off a vibe that suggests you really don't want to f**k with him.

And with good reason, too.

The 64-year-old grew up in the tough Mount Vernon area of New York, near the Bronx – surrounded by hoodlums, hitmen, thieves and drug dealers.

And one of those dealers was a glamorous hustler called Frank Lucas, who Washington would ironically eventually go on to play in the magnificent, Ridley Scott-directed 2007 biopic *American Gangster*.

It tells the story of the extraordinary rise of the drugs kingpin – now in his 80s and retired but formally one of the US's most infamous criminals.

Because Lucas didn't let anyone f**k with him either – until the law finally caught up with him...

PART FOUR

Thailand until they located Atkinson's main connection and business partner, a Chinese-Thai man named Luetchi Rubiwat.

Rubiwat – also known by the code name "007" – controlled several hundred acres of poppy fields in the Golden Triangle, a dense jungle area on the borders of Thailand, Burma and Laos.

Next to the poppy fields were caves bored into the mountains, where poppies were processed into heroin.

On Lucas' first trip, he bought 132 kilos of high quality heroin for £3,000 per unit. In Harlem, he would have paid £30,000 for just a kilo from the Mafia.

The plan was to send shipments of heroin on military planes to military bases on the Eastern seaboard.

Outrageously, much of the dope was stuffed into the coffins of dead US servicemen, or even stuffed into the corpses themselves.

Lucas would later testify that he recruited a North Carolina carpenter to build over two dozen government-issued coffins with false

bottoms, big enough to load in six to eight kilos of smack.

Because he was getting nearly pure heroin directly from the source, he was able to "cut" the drug at a higher level – usually between 10 and 12 per cent – when most street heroin was only about five to six per cent.

He hired young Asian women to mix the imported heroin with mannite and quinine. To prevent theft, the women were entirely NAKED apart from breathing masks and plastic gloves.

Brutal

To protect his investment, Lucas inflicted brutal violence on anyone who stood in his way, inflicting fear in adversaries and inspiring respect from friends and business partners.

And the money came pouring in. He often bragged that he was making a million dollars a day.

He would launder the money, personally driving large bags of bills to a bank in the Bronx where the bankers would count it and exchange it for legitimate bills.

Bank executives would

RANCH: Prized Black Angus cattle

later plead guilty to 200 misdemeanour violations of the Bank Secrecy Act.

At the height of his career, Lucas had over £40million in various Cayman Island banks and 1,000 kilograms of heroin on hand worth £200,000 a kilo.

To "hide" the exchanged money, Lucas bought into legitimate businesses – like a string of dry cleaners and petrol stations – in the hope of avoiding detection.

He owned office buildings in Detroit, apartments in Los Angeles, Miami and Puerto Rico, and a several thousand acre ranch called "Paradise Valley" in North Carolina where he had 300 head of Black Angus cattle and prize breeding bulls.

Lucas also made the rounds in New York's celebrity circuit, where he would often be seen at the hottest nightclubs in Manhattan, hobnobbing with famous athletes like Joe Louis and Muhammad Ali and entertainers like James Brown and Diana Ross.

He spent money freely, once buying a couple of £100,000

Van Cleef bracelets for both him and his wife.

But just as Frank Lucas wouldn't have been successful obtaining and transporting the heroin from Southeast Asia without the support of corrupt military personnel, so too would he have been unable to sell the stuff on the streets of Harlem without dishonest cops.

During the 1960s and 1970s, the NYPD's Special Investigations Unit (SIU) was hopelessly corrupt.

The unit had developed a cowboy-like mentality, breaking in and conducting warrantless searches of suspected drug dealers, creating illegal phone taps, using bribery, and controlling addicted informants with confiscated heroin.

Several of the officers were on the take with local drug dealers to look the other way. At one point, Frank Lucas was caught by the head of the SIU, Bob Leuci, with several kilograms of heroin and cocaine in the boot of his car.

According to Lucas, he

SILVER SCREEN: Denzel Washington portrayed Lucas (right)

was taken to the police station, where he had to negotiate his release with an offer of £20,000 and two "keys" of heroin.

But in time, the police corruption made national news – and the Justice Department wanted it stopped.

On January 28, 1975, a strike-force staged a surprise raid on Frank Lucas' house in the upscale neighbourhood of Teaneck, New Jersey.

In a panic, Lucas' wife threw several suitcases stuffed with cash out the window.

In all, around £450,000 was recovered – what Lucas referred to as "street money".

Overdose

Also found were keys to several Cayman Island safe-deposit boxes, property deeds and a ticket to a United Nations ball, compliments of the ambassador of Honduras.

At the trial, several people testified about the devastating effects of heroin, particularly Lucas' "Blue Magic" brand, which was far more potent than most heroin and caused many deaths due to overdose.

The prosecutor's case against Lucas declared he had "killed more black people than the KKK with the sale of Blue Magic".

The jury turned in a guilty verdict and Lucas was sentenced to 70 years in prison.

But after just a few months, Lucas turned informant and

coughed up names of Mafia accomplices and corrupt members of the NYPD.

He even gave up Atkinson, his heroin connection in Thailand.

As a reward for his information, Lucas' sentence was reduced to 15 years. He was released in 1981.

Then, in 2007, Hollywood once again paid Lucas a visit, with the biopic *American Gangster*, starring Denzel Washington, depicting his extraordinary life of crime.

MAN HAD SEX WITH UNDERAGE SISTER

ADMITTED:
Truro Crown Court

A MAN has admitted having a sex with his underage half-sister.

A court heard how for more than a year, between September 2017 and November 2018, the man had sex with the girl who was under 16.

The man, now aged in his early 20s, appeared at Truro Crown Court yesterday to face a trial by jury.

By law, the girl involved cannot be identified as the victim of sexual offences.

Due to the relationship between the pair, the defendant cannot be named either as this would reveal the victim's identity.

As his trial was due to take place, the man indicated he would plead guilty to four of the offences.

He admitted two charges of sexual activity with a family member and two charges of sexual touching on at least three occasions, including sex and oral sex, with a child.

Offences

Prosecutor Philip Leesaid the admissions were acceptable to the Crown Prosecution Service as they broadly followed the alleged sexual offending and gave the court sufficient powers to sentence the man.

Defending, Rupert Taylor said the man had admitted the offences on the basis that the two had been in a "relationship" at the time.

By COLIN HURST
news@sundaysport.co.uk

The presiding judge, recorder John Trevaskis, said to the man: "You've pleaded guilty to four counts on the indictment.

In the view of the crown and the view of the court, these pleas are acceptable to the extent that they describe broadly the scope of your offending and behaviour, so it will not be necessary to have a trial of the remaining counts on the indictment.

He adjourned the case so the defendant could talk to the Probation Service for preparation of a pre-sentence report.

The man was also listed on the Sex Offenders' Register.

The defendant, who is living in temporary accommodation, was released on bail.

JERK?

(...yes, you probably will)

PREVIOUS ROLES: Lorraine get 'em out in *Duos Sur Canape*

By COLIN HURST news@sundaysport.co.uk

AUNTIE Beeb must be peering nervously over her shoulder at the internet giants after coming up with a show called *Jerk*.

It's exactly the kind of show we're likely to tune in to – and not least because it stars the lovely Lorraine Bracco.

Lorraine – though now 64 – is no stranger to the world of televisual nudity.

But the New Yorker also has a rich tapestry of work behind her, too, having appeared in classics like *The Sopranos* as Tony's shrink, and in the 1990 Martin Scorsese gangster movie *Goodfellas*.

She stripped in *The Sopranos* – though used a body double for some scenes – and also in the French film *Duos Sur Canape*.

In new BBC3 comedy *Jerk* she plays the mum of a cerebral palsy sufferer, shamelessly using her son's walking aide to hang her own handbag on.

Lorraine admitted she was nervous at first until she spoke to disabled actor Tim Renkow's real-life mum, who said she used to do exactly the same all the time!

See *Jerk* online on BBC3 now.

Airbnb death blows

A MAN has confessed to choking an Airbnb guest to death over an unpaid bill.

Jason Colton has pleaded not guilty to murder but admitted the manslaughter of Ramis Jonuzi in 2017.

Jonuzi had been subletting a room in Melbourne, Australia, from Colton, who was also a tenant. He first rented the room for three nights on Airbnb, but agreed to stay another week for £150.

But when the week was up and the rent wasn't paid, Colton choked Jonuzi him with his forearm and punched him unconscious, a jury in the ongoing trial heard.

LIE BACK... and get ready for a treat!

Probe finds medical massage girls give happy finish to patients

DODGY massage shops are offering customers SEX as part of their taxpayer-subsidised treatment.

An undercover sting operation discovered that several massage shops eligible for health rebates are offering "happy endings".

Mystery shopping investigators have found staff stripping naked and offering lewd acts.

One man offered sexual favours turned around to find the female staffer had taken off her top.

Favours

Insurance company HBF said it had been investigating massage shops offering health rebates – which are partly taxpayer-funded through Australian Federal Government subsidies – to flush out providers not properly trained.

In one case an undercover compliance officer was booked to have massages at two premises but had to cancel the second one because his

back was left so bruised from the first. HBF's head of business integrity, Wayne Stone, said it had also investigated several complaints from horrified members who claimed they were offered sexual favours.

"In one case the woman doing the massage made it quite clear to our team member what was possible," he said.

"These are clearly happy-ending clinics. Some even have the massage sign in flashing red lights out the front and are still open past 9pm."

Some of the staff at the massage outfits in the Western Australian city of Perth appeared to be young Asian women on student visas.

The fund has deregistered some providers and confiscated their electronic health claim machines that allowed customers to get an instant rebate from health funds.

Mr Stone added: "Clearly this is not something we as a health fund should be paying for."

CURVY Cali Garcia reckons the best way to keep in shape is loads and loads of lovely SEX!

Cali, from Ealing, west London, revealed that tons of SHAGGING is key to her perfect body.

The 26-year-old said: "There's no secret to it, just have lots and lots of sex! It's a great way to burn off loads of calories."

"I love lazy weekends where you just stay in bed and make love over and over again."

Asked whether she prefers to give or receive, the 32D lovely said: "I prefer to give. I love being in control."

"I like to take a guy deep into my mouth and stare into his eyes while I suck him slowly. I get off on making a man cum in my mouth."

"It's horny. It turns me on and the guy gets off on seeing me do it."

Man's sex aid used on shrine to his granny

A GRANDSON was horrified to discover his personal masturbatory aid was being used as a vase on an altar which displayed his grandma's ashes.

He noticed the stripey bright red sex toy with fresh flowers poking out of the top while visiting his parents to pay respect to his grandmother, who died last year.

The grandson later found out that his grandfather had taken a pair of pliers and torn a hole in the top of the device to fit the flowers into it.

The man, known only by his Twitter handle @koniyo0805, said the Tenga, Japan's most popular wanking aid, was a humorous leaving gift from his work colleagues.

He joked: "Of course, if Tengas came with a large opening at the tip, they would be extremely messy to use for their original purpose."

He revealed he has since got rid of the makeshift vase – but was too embarrassed to tell his grandfather what it really was.

Rugby stars in sex video leak

AN AUSSIE rugby league club is in meltdown after a sex video allegedly involving players surfaced on social media.

The tape follows two similar videos over the weekend, just days after the sport's bosses introduced tough new rules following a spate of off-field incidents.

The names of players involved in the tapes have not been released.

There's no suggestion of any criminal wrongdoing, but players could face "significant" sanctions after NRL chief Todd Greenberg vowed to crack down on the sport's many scandals – including "lewd" videos.

It followed Canterbury Bulldogs star Dylan Napa being fined 10% of his 2019 salary for appearing in several sex tapes.

Greenberg described Napa's acts as "gross stupidity" but said he won't suspend the star.

Kourt without her pants!

REALITY babe Kourtney Kardashian has thrilled fans with a brand new naked photo.

The almost-X-rated shot of the 39-year-old was released to promote a mysterious new business venture.

Perched on a bathroom vanity with her legs crossed to cover her MINGE, the eldest sister of the Kardashian clan holds a tea cup in one hand and laptop

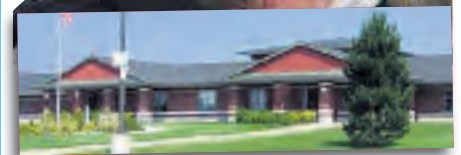

in other, to protect her modesty.

The mum-of-three stripped to promote her latest venture, called Poosh.

Despite confusion over why the busty brunette shared the naked snap, there was no denying her army of online fans loved it.

"You look incredible," one delighted follower wrote, while another said she needed to ditch the cup and laptop.

CLAIMS:
Accused teacher Heather Winfield and (below) her school

A RANDY teacher shagged a 14-year-old pupil more than 100 times, it's alleged.

Heather Winfield, 38, is charged with two counts of criminal sexual conduct with a child, accosting a minor for immoral purposes and using a computer to commit a crime.

If convicted, she could face life in prison.

The student testified the relationship started when he was 11, and that he and Winfield had sex more than 100 times in several hotel rooms.

In court, the defence told a judge the case should be thrown out due to the low amount of evidence and the boy's lack of credibility.

Intercourse

The teenager claimed he and Winfield had had sex with other people around and had told police that they had intercourse "maybe 1,000 times," but later changed it 100.

Leading investigator Robert Mitchell said that receipts and phone records corroborate at least parts of the boy's account – specifically, that over the course of the alleged relationship, Winfield booked 16 different hotel rooms and allegedly had sex with the boy in them.

In one case, the boy

By ROY DURRIDGE
news@sundaysport.co.uk

said Winfield had to find other arrangements after the hotel was overbooked because of a hockey tournament. Mitchell said that credit card receipts back up that claim.

In another case, the boy claimed Winfield, who taught at Thunder Bay Junior High in Alpena, Michigan, came to his grandmother's house to pick him up and that Winfield was in possession of a sex toy she had just purchased at an Alpena sex shop – a toy the two allegedly used together. That, too, was backed up by credit card receipts.

Winfield will face trial later this year.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

RECENTLY I caught my husband boning my sister. I came home early from work with a migraine and heard noises coming from our bedroom.

I couldn't believe my eyes as I watched my fella doing her doggy-style on the bed. They didn't notice me as I looked through a gap in the door.

He was pulling her hair and she was telling him to f**k her even harder as he pounded into her.

She climaxed, then sucked him off until he shot his load all over her face.

They don't know that I am aware of their affair. But to be honest, I don't mind. He's always pestering me for sex and this way he'd leave me alone. Am I weird?

JF, Devon

Ashleigh says...

I'D still be upset with them for going behind your back.

Dear Ashleigh,

MY boyfriend asked me to shag his best mate last week. We're all 19 and were at a party.

I'd had a bit to drink and felt really horny, so I agreed to have him.

First, my fella watched as his mate did me doggy-style. Then my man put his cock in my mouth and shot his load down my throat.

The two of them then switched positions and I sucked off his mate while my boyfriend banged me from behind.

His mate's knob is much bigger than my boyfriend's, it must be at least 10 inches, and I loved sucking and licking it.

I now want to finish with my fella and go with his well-hung mate, but they are very close.

What should I do?

DR, Manchester

Ashleigh says...

FIND someone else, as it's obvious that both of these guys are just using you for sex.

Party nookie got me hooked on swinging

Dear Ashleigh,

ME and the missus went to our first 'swingers' party a couple of weeks ago.

It was organised by a bloke from work and I was keen to go as his wife is fit.

When I got there, I couldn't believe my eyes. It was packed with fit fanny aged in their 30s and 40s.

My wife was soon chatted up by a bloke, so I made a move on my pal's wife.

She was busty, blonde and up for it. I soon had her high heels over my shoulders as I pounded into her.

After I'd finished, I went back to the party. On my way I looked into another bedroom

and watched my wife being spit-roasted by two fellas.

My eyes were soon drawn to a tasty blonde who looked to be in her late 40s.

She sucked me off while about 20 people watched. I then had her doggy-style and up the arse.

My problem is that sex with my wife now seems boring and I crave the thrill of swinging, but she says it was just a one-off for her.

What should I do?

NH, Newcastle

Ashleigh says...

PERSUADE your wife to try it again, or go on your own!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Campervan threesome spiced up our tour of Oz

Dear Ashleigh,

I'VE just got back from a really fantastic trip round Australia.

Me and my girlfriend took a campervan and exhausted ourselves in the back of it – and in all sorts of secluded outdoor locations.

One week we met a lovely girl who'd got her own campervan and was parked in the same site as us.

We invited her into our van and we cooked a meal and got stuck into a good few beers before stretching out on the cosy beds.

During the night it got quite cold and we found ourselves cuddling together.

Licking

My girl started kissing her new friend and then sneakily reached out to tickle my cock.

She stripped the girl naked and encouraged me to feel her lovely arse.

She then started slowly licking and touching the babe's nips while exposing her joyous fanny lips for my pleasure.

I got stuck in to supping on her minge while my girl slowly fingered herself.

She asked me to mount her and, as I got hold from behind, my girl spread her pal's legs and had a munch on her fanny.

When I was about to spunk, my girl sensed it. She told me to pull out and shoot my load all over the girl's boobs.

When I'd done it, she licked up every little bit!

It was a really amazing experience

and the air in the campervan reeked of sex smells.

Pretty soon I was hard again and her pal gave me a blowjob as my girl used a dildo on herself and her horny friend.

The next day we found a quiet stream at the edge of the site and the girls were soon both naked.

The insatiable pair invited me in between them again and a tit-wank from a couple of eager pairs is something I'll never forget.

We moved on that day but we got her address and number. She was a student from Sydney on her 'Walkabout'.

We're planning on inviting her over here to England.

What do you think?

TB, Nottingham

Dear Ashleigh,

LAST month I joined a local gym. The first time I went I did some running on the treadmill and then I decided to have a look at the sauna.

When I went in, there was a gorgeous blonde – and she was totally NAKED.

Soon I had an erection, which I tried to hide with a tiny towel. She smiled, picked up the towel and wrapped her mouth around my throbbing cock. I then took her from behind.

We meet at the gym three times a week for nookie. But now my wife wants to join! What should I do?

FD, Cambridge

Ashleigh says...

DO it. She's like the wizard of Oz in bed!

Ashleigh says...

TAKE your wife to a different gym.

Dear Ashleigh,

I RECENTLY got married and bought a house with my wife.

Our neighbours are very friendly – they're in their early 40s, while me and my wife are 28.

They came round with a couple of bottles of wine and I fancied my neighbour's wife – she's blonde, with a great body.

After we'd had a few I popped upstairs for a piss and as I came out of the bathroom she was there.

Without saying a word she just dropped to her knees, got my cock out and sucked me off.

Just as I exploded, I could hear moaning coming from the living room and I saw my neighbour doing my wife doggy-style.

They told us they're experienced swingers and invited us to a sex party.

There were about 20 couples there. I had sex with four women and my wife had five men.

At one point she had a cock in her mouth, fanny and arse.

But her personality has changed and now she's left me for a bloke she shagged at the sex party.

I'm devastated. How can I win her back?

SR, Essex

Ashleigh says...

TELL her how much you love her, but I suspect your wife wants to keep swinging.

Cream tease a tasty treat for horny lover

Dear Ashleigh,

I HAD never enjoyed giving blowjobs, but now I can't get enough – thanks to whipped cream.

It began when I went out with my new fella for dinner and I ordered a banana split for dessert.

I was teasing him by eating the banana in a provocative way. I could see he was getting aroused and decided to get him really horny by saying I'd eat anything covered in cream.

He knew what I meant and the next time he called round he brought a can of the squirty stuff.

I invited him to show me what he had on the menu and he dropped his pants. I must say I was very impressed with the size of his banana.

I slipped out of my dress and dropped to my knees. His cock was standing to attention, so I squirted the cream along his length and slipped my lips round it.

Soaking

The cream tasted delicious when mixed with his manly scent and I licked and sucked on it for ages.

Then I got my can of cream and covered his thighs and belly. He was so hot the cream started to melt as I slurped and licked at his burning flesh.

Then I "encouraged" him to give me oral. I spread my thighs and put a little mound of cream on my clitty and told him to enjoy his meal.

For the next 15 minutes or so he licked my soaking pussy and I came hard.

Now it's an essential part of our regular foreplay and I can't imagine giving him a blowjob without it.

DT, Suffolk

Ashleigh says...

SOUNDS brilliant but keep an eye on your weight.

HELEN LABDON

By **SIMON DEAN**

simon@sundaysport.co.uk

WHATEVER happened to Helen Labdon?

The gorgeous glamour babe, who was massive in the 1990s, was one of Britain's favourite Page 3 girls, appearing in *Sunday Sport* and other, less prestigious, newspapers.

She also posed in raunchy top-shelf magazines for some fully nude but tasteful snaps.

Helen also made the grade across the Atlantic and was a regular in supermarket tabloid *Weekly World News*.

Thanks to her exposure in the States, she got to meet Hollywood star Greg Kinnear and the pair started dating.

Eventually, Helen, 47, gave up modelling, started a writing career and married Greg.

See, happy ending.

#MY SEX FANTASY

'I love threesomes with my fella and a girl with giant boobs'...WITH
ROXY TAGGART,
25, 32E-24-34
FROM YORK**I LOVE having threesomes with my fella and random women!**

I am sexually attracted to women as well as men, so for me it's the best of both worlds.

I adore girls with giant boobs, fake is fine! And I love a full, peachy bum too.

I also love the look on my fella's face when I bring a pretty girl back to play. He looks like all his Christmases have come at once.

We don't feel any jealousy, it's all just a bit of fun.

Sometimes he will sit back and watch me and the girl caressing each other and having a little play.

Women kiss so sensually and I love going down on a girl and receiving oral back - we know how to please each other.

Then, when we are both really aroused, he likes to step in when we're both gagging for cock!

Then anything goes!

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* - where **YOU** get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see - TOPLESS or even **NAKED**.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service - **UNIQUE** to British newspapers - is totally **FREE!**

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

DESTINY DUNES

LOVED-UP Ricky Snelling wants glamour favourite Destiny Dunes in his passenger seat!

The 46-year-old taxi driver from Brixton, south London, says the lovely pin-up is the best of them all!

The 26-year-old Derby stunna is the apple of Ricky's eye and he'd love to take the 34GG babe out in his cab.

He said: "I meet lots of people in this job but if Destiny got in my cab I'd be speechless."

"You can be sure I'd give her the ride of her life, though!"

NATASHA NICE

NOTHING brightens Karl Cooke's night faster than London lovely Natasha Nice.

When the security guard from Middlesbrough starts his night shift he always sneaks a peek of his favourite glamour girl, 28-year-old Triana, from Clapham and her 32E knockers.

Karl, 35, said: "I'm a bit of a night owl because of my job. It can get a bit lonely at times, and it's often freezing too."

"So I always stock up on snaps of Natasha. I've got a whole folder of her boobs on my phone - they're bloody glorious and they definitely keep me warm all night long!"

HAYDEN WYNTERS

HULL cracker Hayden Winters is the "ultimate fantasy" of Birmingham bricklayer Barry Cooper.

The 26-year-old brickie says he loves the *Midweek Sport* but his favourite glamour girl is 26-year-old Hayden as he loves her 32C norks.

He told us: "I love reading your paper but I don't see enough of Hayden so please can you print a sexy picture of her this week?"

"I would love to meet her in the flesh and see if she's as gorgeous in real life! She's probably my ultimate sexual fantasy!"

RIO? GRAND!

HERE'S your chance put the horror of the World Cup behind you in favour of some real Rio talent!

Suck Like A Brazilian may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be tip-

top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the the world at c*** sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

TOUGH TASK:
Solskjaer

REDS NEED TO MAKE HISTORY

NO side has ever managed to overturn a two or more goal deficit from a home first leg in the history of the Champions League and 34 have tried unsuccessfully. That is the magnitude of the task that faces Manchester United in the French capital this evening.

PSG have scored 35 in their last 10 home Champions League games although they have failed to keep a clean sheet in their last five. Both sides will be without key men but United are decimated by injuries and suspensions with French ace Paul Pogba a non-runner in Paris following his late red-card at Old Trafford.

United are 21/4 at BetVictor to win, 14s to qualify for the last eight and 80/1 to lift the Trophy in Madrid.

United again showed their character, resilience and quality to beat Southampton at the weekend but they have a mountain to overcome at the Parc des Princes where I expect to see plenty of opportunities at both ends. Over 2.5 goals is priced at 8/13 with BetVictor which is likely to be popular although the recommendation is for PSG to win and both teams to score at 2/1.

History is against United – but Ole Gunnar Solskjaer has been breaking records since he walked through the door at Old Trafford. If they were to score first?

Arsenal travel to Rennes tomorrow having never lost an away game against French opposition (W8 D5). The Gunners have a rich European history although it is 25 years since they won their second and last European Trophy – the Cup Winners' Cup of 1994.

Greatest

Rennes caused a shock of the round in beating Real Betis last month. They will feel they have little to lose against the Gunners although I expect Unai Emery's side to take a lead back to London next week.

Arsenal begin the tie 5/1 joint third favourites behind 2013 winners Chelsea (4/1), Napoli (9/2) with Sevilla also 5/1 at BetVictor.

Virgil van Dijk gave one of the greatest individual displays I have ever witnessed at Goodison on Sunday when he hardly broke sweat. His passing, tackling and heading were all out of the very top drawer and he would be a very worthy winner of the PFA Player of the Year for which he is the 4/6 market leader at BetVictor.

I thought Everton improved when they decided to play with 11 men, Theo Walcott doesn't count, but goals change everything and you can't help but think the Reds would've won comfortably had Salah scored.

Liverpool are out to 9/4 - City 1/3 - but if they win their next couple of fixtures (H Burnley & A Fulham) City are still likely to be behind the Reds and playing catch-up by the time they play their first game in hand – City are in FA Cup action at Swansea – which is likely to be against Man United at Old Trafford next month.

If City beat Swansea next weekend they will have two games in hand on the Reds as Pep Guardiola's side will have a Wembley FA Cup semi-final still to play. Note City are 7/1 to win all four tournaments at BetVictor.

Advantage City in the Premier League? I wonder.

Prem goalies are Brazilian

DIDA SAYS ALISSON AND EDERSON BOTH TOP OF STOPS

MAN City and Liverpool are blessed with the best goalies on the planet.

That's the view of Dida about his fellow Brazilians who have been lighting up the Premier League.

They have kept an impressive 31 clean sheets between them in the top flight this season as their teams battle for the title.

Alisson hasn't picked the ball out of his net for all of 478 minutes and has the most shutouts any of Europe's top divisions.

Ederson will be looking to better his 14 clean sheets this year in the remaining nine games of the campaign.

And they are both excellent

By **PAUL THOMAS**

with their feet too and play their part in launching their teams on to the attack and taking the pressure off defenders when they get closed down.

Dida didn't always have the strongest reputation for AC Milan or the Selecao and seems to realise that he would have struggled to keep either of them out of the national side.

He said: "The quality of Brazilian goalkeepers has certainly risen, and these names confirm it."

"The technique of modern goalkeepers includes the ability to play with the feet

and a deeper reading of the match. Certainly, Brazilian goalkeepers can compete at international levels.

"However, currently there are many high-level goalkeepers." Dida is in the UK to promote a charity match between AC Milan and Liverpool.

Mad

The two famously clashed in two Champions League finals in 2005 and 2007 with the first featuring an amazing comeback by the Reds.

Dida will never live that down having conceded three goals in a few crazy minutes in Istanbul.

He still relives the events

of that mad night in the Turkish capital.

Dida said: "Everything was very fast. It is as if there had been a blackout."

"I never thought of a second half like the one we lived. It was like living a nightmare. You can win or lose whatever match, but I will never forget what happened that night."

"Certainly the outcome of the match could have been different if Xabi Alonso had not scored after the save of his penalty."

"Of course, I think about it sometimes, but even if we must not forget these episodes, we must move forward."

"At the same time, however, I will never forget the victory in 2007, a true joy."

LUK: I DIDN'T THROW HOOK

ROMELU Lukaku has hit back at the "lies" about him and Paul Pogba having a dressing-room fight after beating Southampton at the weekend.

Rumours swept around the world of football that the big Belgian squared up to Paul Pogba behind the scenes after the Frenchman missed a penalty that could have given Lukaku a hat-trick.

The fake news suggested that Ole Gunnar Solskjaer had to step between the team-mates in the dressing room.

But Lukaku has taken to social media to make it clear that no such confrontation ever happened.

He said: "When the hate don't work they start telling lies."

He had already sounded cool about the penalty miss when asked about the match.

He said: "I am a striker and I wanted Paul Pogba to score the penalty, he has been on a good run but he has been an important player for us."

Lukaku's double means Solskjaer must be tempted to keep him in the team against Paris St Germain in the Champions League.

United have to overturn a 2-0 deficit away from home which

won't be easy. The Reds could go direct with the Belgian heading their attack as they need to get on the scoresheet quickly.

The manager has been impressed with Lukaku's form in the past couple of games after a lean spell.

Solskjaer said: "He is a bright boy. And he knows what his strengths are and his strengths are going towards goal, finishing, running in behind."

"And, of course, when we get him too deep in the pitch maybe that doesn't suit him at times."

"But he has responded fantastically to everyone who wants to criticise him because there is no one who practises finishing as much as he does. And he scores so many goals in training."

Comeback

"I have said it so many times in the press as well, if we should do a score chart in training, he is the one that scores the most by a mile."

If United are to pull off an unlikely comeback, Pogba will have to turn in another good display.

Reds legend Rio Ferdinand is backing him to take the next step forward.

He said: "This is a guy who has already won so much in his career, who scored in a World Cup final last summer and people were saying he wasn't up to the task of playing at the highest level? Give me a break."

"He is the most effective midfielder in the Premier League when he is played in his proper position and utilised in the right way."

"Ole and Micky Phelan didn't need long to understand how to get the best out of Pogba and almost from the moment they arrived, his performances changed."

STRUGGLE: Gareth Bale

Gareth ready for Madrid Bale-out

GARETH Bale wants to stay at Real Madrid — but he may be forced out by the boo boys.

The Welshman bore the brunt of the home crowd when taken off during Barcelona's 1-0 win at the Bernabeu on Saturday.

If the jeering carries on, Bale's agent says he may have no choice but to pack his bags — and the Premier League would be his No.1 destination.

Jonathan Barnett says the 29-year-old still loves the club but can't carry on being made a scapegoat for the failings on the pitch at Real.

He said: "He has been a great player for Real Madrid and in years to come they will be talking about Gareth Bale's great goals and great achievements for Real Madrid, and to be booed and for the fans to behave as they did is disgusting."

"In general he has been great for the club and for the fans to boo him is absolutely disgraceful. He loves Real Madrid and it must hurt him to be booed. It must."

Hurt

"If you look back in Real Madrid history, most of — if not all — of their great players were booed. They are very fickle fans."

"Raul, Cristiano Ronaldo, Brazilian Ronaldo, Zidane — they got booed at some stage of their careers and I just think it's wrong. It's unbelievable."

"I know how Gareth feels. We have been together since he was a young boy, I know the ins and outs of him very well, and he has been hurt."

Bale has been at Real for the past six years having moved from Spurs for £85m.

There is constant talk of him heading back to the capital — but at Chelsea rather than Tottenham.

Barnett is doing nothing to quell rumours of Bale's return.

He added: "It is about whether he enjoys playing for Real Madrid and he does at this moment."

"It might well be the time will come that he has had enough but maybe by coming out and saying what I think, some normal human beings at Real Madrid will think 'hold on a minute, it is wrong what we are doing' and maybe they will change."

"If nobody says anything then it could lead to bad things in the future. Somebody has to say it."

HOME HELP FOR RONDON

SALOMON Rondon believes St James's Park is the key to Newcastle's survival.

It's in front of the Toon Army where the points must be won to keep them out of the bottom three according to the big striker.

He is happy with the way the team has been performing with big home wins against Huddersfield and Burnley before their disappointing effort at West Ham.

Rondon said: "Of course, it has been a good week for us but when you are a winner you want

to win any game — at home or away.

"Our performances away have been good — we've won some games away and we wanted to carry on."

"But I always say if you want to stay up, the main thing is to win at home."

The Toon welcome Everton to St James's this weekend before a run of away games.

Rondon wants to make sure they get another three points in

the bag before going on their travels.

He said: "We have to play against a difficult team — Everton are playing normally — but we know when we're at home we have to win."

The West Ham game is still playing on Rondon's mind as he wasn't happy with the first-half performance.

Things improved for the Toon after the break but it was too late to peg back the Hammers.

Rondon added: "We conceded many fouls and we conceded corners and free kicks, and that

is something we have to be aware of."

"We're disappointed, because the last two weeks we've played really well — in big games — and got some points."

"When you concede in the first few minutes it is difficult — we were waiting to play our game-plan but we weren't able to."

Newcastle will have to do without young star Sean Longstaff against the Toffees.

The midfielder needs a knee scan after picking up a knock at the London Stadium.

JADON THE WAY TO FRANCE

PSG lead United in chase

By JOHN ANTHONY

MAN United look set to miss out on a £100m swoop for wonderkid Jadon Sancho.

The teenager has been a revelation since leaving neighbours City to sign for Borussia Dortmund 18 months ago.

His form in the Bundesliga has seen him break into the England set-up and the winger is now one of the hottest prospects in Europe.

United would love to make him the first £100m English player but Sancho has said before that he doesn't want a return to English football.

Goals

That has put PSG in the driving seat and they are set to mount a summer swoop.

It won't stop United having a go as Ole Gunnar Solskjaer would love to field Sancho on the right to dovetail with the pace of Marcus Rashford.

Sancho has added goals to his game this season with nine strikes to add to his 14 assists as Dortmund lead the German top division.

He cost even more than £100m thanks to his deal with Dortmund which has another three years to run.
